

Arizona law requires that preschools and child care facilities use this official ADHS form to document a religious beliefs exemption to immunization.

Religious Beliefs Exemption Form

For Child Care, Preschool and Head Start Programs

The Arizona Department of Health Services (ADHS) strongly supports immunization as one of the easiest and most effective tools in preventing diseases that can cause serious illness and even death. ADHS also respects the rights of parents who are raising their child in a religion whose teachings are in opposition to immunization to make the decision not to vaccinate their child.

Due to my religious beliefs, I request an exemption for my child from the required vaccine doses selected above. I am aware that if I change my mind in the future, I can rescind this exemption and obtain immunizations for my child. Initials			
 I am aware that additional information about vaccine preventable diseases, vaccines and reduced or no cost vaccination services is available from my local county health department and Arizona Department of Health Services (www.azdhs.gov/phs/immunization). 			
 I am aware that in the event the state or county health department declares an outbreak of a vaccine-preventable disease for which I cannot provide proof of immunity for my child, he or she may not be allowed to attend child care until the risk period ends, which may be 3 weeks or longer.
